Read more about public domain image copyright, and frequently asked questions.

About: dipl. ing. Dusan Bicanski:

I'm the creator, designer, administrator, programmer, photographer, and owner of this site. When you see bellow image photographer: Dusan Bicanski, that's me. Making websites and taking pictures is one of my favorite hobbies. Here you can found one of the internet largest image archive, more than 3500 hi resolution public domain images, I'm making the photos available to anyone who wants them.

Support This Site:

I worked hardly for the last two years to make this web site. I spend a lot time taking pictures, collecting and editing them. Also I spend a lot of time searching for public domain images in public domain archives and making sure that all images you can find on this site are explicitly placed in the public domain. Use them for whatever you want, use it freely for personal and commercial use, images are not copyrighted, no rights reserved. Please support my efforts and help me continue to publish more images and make them free and available to anyone who wants them.

If you use public domain images, royalty free stock photos from this site you could support this site by giving credit or/and linking back to www.public-domain-image.com. It would be polite and it is nice way to support my efforts here, just something like: source <http://www.public-domain-image.com>, or for my photos: photo by Dusan Bicanski - <http://www.public-domain-image.com>.

Simply add link to this site on any site, blog, forum, wherever you wish. Thank you.
